

Ricoh One-Solution

All-in Flat Fee MFP Package

Ricoh One-Solution

Printing can be complicated and costly - managing your printer, monitoring the number of prints, ordering toners, and paying your bills can all take time away from actually running your business. Ricoh One-Solution is a subscription-based plan tailored for businesses that want a cost-effective, hassle-free print, scan and document workflow solution to meet their everyday needs. With Ricoh OneSolution, you no longer need to need to track how much you print, submit meter reads or worry about costs that vary from month to month with the number of printing jobs.

Why Ricoh One-Solution?

It's predictable – Your monthly bill remains the same for the duration of your contract, no matter how much you print (fair-use principle*)

Everything you need for state-of-the-art office infrastructure – Complete package for your business or service enterprise.

Convenient – Device, copy/print, delivery, training, installation, network integration, recycling fee. All inclusive in one contract.

4 Models – one System – simple and clear
